Projects

Bootstrap Coffee | <https://idgormley.github.io/FinalGroupProject/>

- Worked with the owner of a local coffee bean roastery to make it easier for users to find information on their website.
- Project Manager and primary coder.
- Built with Bootstrap, HTML, and CSS. Designed in Figma, Miro and Slack.

DIY-signer | <https://idgormley.github.io/DIY-signer/>

- An interior decorating app that helps users with everything from planning the layout of a room to purchasing furniture.
- Visual designer that performed user research, UX design, prototyping and user testing.
- Designed in Figma, Miro, and Slack.

D&D Character creator |

- Iteratively developed a D&D web app as an agile team managed through GitHub for College Capstone.
- Specialized in front-end development and documentation.
- Coded in HTML, PHP, CSS, SCSS, and SQL.

Experience

Website Designer 2021

G&H Heating and Air Conditioning Shoreview, MN

Designed the front end of the company's website with Wix. Highlighted key components of the company in the design as expressed by the primary stakeholder through interviews. Established the host and domain name using Google Domains.

Key Accomplishments:

- Over a one-year period, the website achieved 950 site sessions with 705 unique visitors.

Configurations Associate 2021

Bailiwick Chaska, MN

Unboxed & set up devices for configuration. Tested and consolidated equipment for shipping.

Custodian 2016-2021

Fresh and Natural Foods Shoreview, MN

Maintained a clean and professional storefront, receiving dock, stockroom, and bathroom. Established and maintained positive relationships with customers by answering their questions and assisting them in finding goods.

Graphic Designer 2014

Hot Rod Factory East Bethel, MN

Worked closely with the CEO to redesign the logo of the business for use on branding and merchandise.
